Club di Movimiento Team

Dear Audience,

Hello and welcome to Club di Movimiento 2019 Annual Dance Recital "The Oscars".

It is a great honor for CDM'S team to be here among so many talented dancers, supportive parents, family, friends, sponsors and the Aruban community in general. This recital will shine a light on some outstanding and inspiring movies that touched our hearts forever. Movies evoke deep feelings and help us reflect on our lives. They can help us to better understand our own lives, the lives of those around us and even how our society and culture operate. The prime purpose of cinema is to SERVE social cause, not entertainment. One of my favorite childhood films "The Sound of Music" made a big impression on me. The free spirit character of Maria with her rightness, positivity, romantic and fun qualities inspired me till this day as a role model.

Dance can serve social cause in the same matter. Dance as an unique art form has no boundaries, and it is something everyone can enjoy, understand and feel. Dance performances are a great activity and provide a variety of benefits other than inner satisfaction. Dance can help build self esteem, confidence and motivate students to excel and build social skills. It gives students an opportunity to learn and adapt to the skill of goal setting & practice.

So with this purpose, we organize every year CDM's Dance Recital, where 100% participation is encouraged.

At Club di Movimiento we, Dance Educators take pride in educating our dancers to become a better person by respecting one another, always reinforcing positive thinking and envolvement with our community.

At CDM family we celebrate, love for Dance, Culture and Arts. I owe a great debt of gratitude to our office team, teachers, instructors and assistants. You deliver on your "MORE THAN JUST GREAT DANCING" motto everyday.

Thank you, CDM's students families and community partners for supporting our annual recital; trusting and believing in the work we do with the youth of Aruba .

Directors

Hope you all will have a great time.

Enjoy the show!

Love,

Samanta
