CAS DI CULTURA November 19th & 20st, 2022

Club di Movimiento Team

Dear Audience ,

Welcome to CDM's 25th anniversary celebration recital: **I am...** The two most powerful words that can define your reality. Our CDM ballerina on the front page is a collection of student's words that best identify them as an individual. In connection with the best moments of our present and former students, this recital is a revival highlighting past choreographies throughout the years. Club di Movimiento is a dance school with a practical and modern approach to dance education, which prepares students to take on challenges in the constantly changing world.

At CDM, dance teaches them to be a better person. We nurture love for ARTS, RESPECT and PERSONAL RESPONSIBILITY. Thanks to the passion of the CDM team, support from our dance families, and discipline from our students, CDM could keep on delivering the mission of educating performing arts developing each student as a whole person. We are "MORE THAN JUST GREAT DANCING".

There is so much to celebrate! It has been 25 beautiful years of dancing. I'm humbled and grateful for God's energy and guidance trusting my heart with this beautiful mission of creating arts in Aruba. For my parents and family who supported my childhood dream of becoming a ballerina artist. For Marcia M. M. B. founder of Clube do Movimento, Brasil my mentor and inspiration who is no longer with us, but is never forgotten. This is her legacy too. For Peter and Patricia Westera, believing in me by giving me the opportunity to make a difference and for partnering up with me on this journey. For the love of my life, my husband and children who deal every day with the intensity of my passion for dance. For former and present CDM teachers, team, students, families, artists, department of culture, cas di cultura staff, people, organizations and companies who contributed every year in reaching the CDM mission in one way or another. I'm very grateful from the bottom of my heart.

A big SHOUT OUT to miss Vivian Maduro and Monique Frings, celebrating 20 years anniversary at CDM family. We love you!

Let's celebrate...

Enjoy the show!

Love,

Samanta

Acrobatic Arts

About Acrobatic Dance

Acrobatic Dance, or acro as it is commonly referred to by dancers and dance professionals, is the beautiful fusion of classic dance technique and the precision and athleticism of acrobatic elements. Often defined by unique choreography, acro dancers seamlessly blend musicality, emotional expression, line and extension with acrobatic movements in a dance context. Acro is an especially challenging style for dancers to master, as training in both dance and acrobatic elements is required. Acro technique includes balancing, limbering, tumbling and partnering, based in flexibility, contortion and strength.

The Benefits

Dancers who train through Acrobatic Arts have balanced development, are stronger, more flexible and fearless. Studios that implement this program will see dancers with more skills, who have fewer accidents, and are less likely to develop chronic injuries.

Circus Arts / Aerial Dance

About Silks

Aerial silks (also known as aerial contortion, aerial ribbons, aerial silks, aerial tissues, fabric, ribbon, or tissu, depending on personal preference) is a type of performance in which one or more artists perform aerial acrobatics while hanging from a fabric. The fabric may be hung as two pieces, or a single piece, folded to make a loop, classified as hammock silks. Performers climb the suspended fabric without the use of safety lines, and rely only on their training and skill to ensure safety. They use the fabric to wrap, suspend, fall, swing, and spiral their bodies into and out of various positions. Aerial silks may be used to fly through the air, striking poses and figures while flying. Aerial Dance is also categorized as an extreme sport.

Dance Into Happiness

This year Club di Movimiento-Aruba and You Can Dance Dansstudio-Belgium partnered up into the execution of Dance Into Happiness, a Cultural Dance Exchange Program funded by Erasmus+ and powered by Jint.

The project brought together a total of 60 people (30 students and teachers from each school) starting first phase in Belgium from July 26th till Aug 3rd and the second phase in Aruba from Aug 6th till August 13th.

The project consisted on dance workshops at the studios with 2 showcase performances at the end of each phase. The schools focused not only on Cultural dances but also on the culture history, language, sustainability, innovation and personal growth.
